INTRODUCTION

The Queensland Autospectacular has become the Premier Car Enthusiasts Event held in the Brisbane Region each year.

The event is run by the Buick Car Club of Australia (Qld) Inc in partnership with Willowbank Raceway Inc.

The Buick Car Club of Australia (Qld.) Inc operated the Cleveland Autospectacular for ten years.

Despite wet conditions, the third **Shannons Queensland Autospectacular** held at Willowbank in 2013 achieved:

- over 1100 cars on Display
- over 100 cars judged in the Car Show
- 40 Motorbikes on Display & judged in the Bike Show
- 300 Swap Sites
- 75 Trade and Sponsor Sites
- 6,260 people through the gates on the day

With the closure of the Cleveland Autospectacular, the Buick Car Club took the opportunity to team with the Willowbank management team to create an all new Shannons Queensland Autospectacular at Willowbank Raceway in 2011.

This venue provided the opportunity to open up a wide range of additional features that were incorporated into the event and continue to be added on an annual basis.

Autospectacular events have attracted entrants from the Bayside of Brisbane Region, Toowoomba, Bundaberg, Northern NSW as well as from areas throughout the Logan, Ipswich & Brisbane City district.

The Shannons Queensland Autospectacular will again be managed by the Buick Car Club of Australia (QLD) Inc, in conjunction with Willowbank Raceway Inc.

This is your opportunity to share in the rewards!
